

## **January 2022 Newsletter**

Thanks for being a member and helping your club survive 65 years. Our goal is to provide a safe place to shoot and promote the shooting sport. Too small a space is available to thank all of the people that keep the club running daily. Every Thursday volunteers club members get together to help maintain the club, if you have time, come on out.

As we plan for the next 65 years, a committee has been selected to look towards the future. We will continue to follow the NRA's "Best Practices" but are also looking for your ideas to improve and modernize our facilities for the enjoyment of our club members for years to come.
