Hi, I'm Jerry Grady and I'm in competition for a Director's seat on Our Club's Board of Directors...

I've been a Member of the Club since March of 2010 and I've been involved with its operation, in one way or another, ever since... First as part of the Thursday Work Crew and then as a NRA Certified RSO beginning in January of 2013... Appointed an Assistant Chief in 2020 by our current CRSO Paul Daly... I'm also an Associate Match Director for our Saturday Shooting events (usually taking in the event fees and doing much of the prep work for the "Inflation Thursday" activities necessary for the very popular Balloon Matches)... I also contribute to performing several of the 'behind the scenes' activities in helping to keep our Clubhouse Office running smoothly...

I was selected to assume the duties as a Director on the Board in 2018; was elected to the Board in 2019; and appointed to the position of Vice President in 2020...

In my 'outside life,' I'm a retired "Senior Technical Officer" (fancy name for a Computer Savvy Operations Manager) at JPMorgan-Chase; served in the USCG (Honorably Discharged as a Gunner's Mate Second Class [E-5]); a Past Grand Knight in the Knights of Columbus; and former Auxiliary Lieutenant at Ladder Co. 132, Brooklyn - FDNY...

We've got a good and safe Shooting Facility here at the Dade City Gun Club, and I'll do my best in continuing at keeping it that way as a Director on the Board...

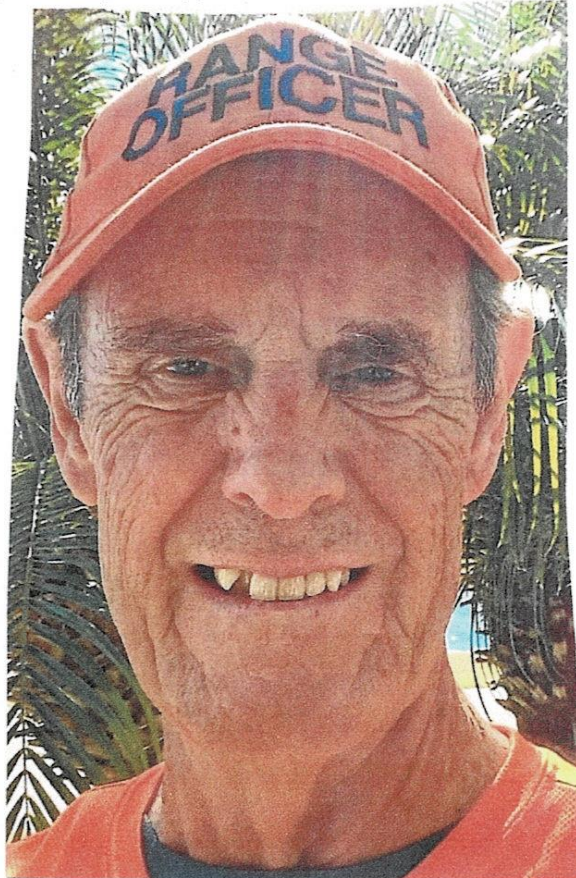

Robert (Rob) Stansberry

First let me say it is a privilege to run for a director position on the Board of Directors of the Dade City Gun Club. I have truly enjoyed my membership in our club for nearly thirteen years. Of those thirteen years I have served on the volunteer Thursday maintenance crew helping to maintain a safe, clean, and well-maintained facility for our nearly 700 members. For the past eleven years I have also volunteered to work, and sometimes call, the Saturday matches. I find that experience very enjoyable.

Let me provide you with a very brief background. I am from Pennsylvania originally but ended up living in various parts of the country during my 27-year career in the Air Force. I have also served as a high school principal in Virginia for many years. As a youth I shot competitively for several years prior to graduation from high school. Later I, of course, did some shooting while on active duty. My most recent shooting experience has been as a member of Dade City Gun Club, where I have worked twelve years as a Range Safety Officer and shot for relaxation. More recently I completed the NRA Chief Range Safety Officer training program and am now serving as an Assistant Chief Range Safety Officer on the days I work at the club.

My main reason for running for a director's position is to do anything I can to maintain a safe shooting environment for all our members and guests that choose to exercise their Second Amendment Rights at our gun club. I also want to be a positive influence for our membership and work to open more avenues of communication between our membership and those serving in leadership. I have learned that our club would not exist if it wasn't for those members who selflessly give their time in many ways that promote our club and provide shooting opportunities to those that love to shoot. One recent example is the youth shooting program that Larry Shrewsbury and Dennis Doll have organized. I can't tell you how great it is to see young people enjoying shooting.

In order to serve you, the members, I ask for your support. I will faithfully serve all our members if I am privileged to serve on our Board.

Robert M. Stein for Director

I have been shooting on the ranges of the Dade City Gun Club for over 20 years.
